Erratum to: J Physiol Sci (2008) 58:173–177
DOI 10.2170/physiolsci.RP002208

The authors are sorry to report that in the above mentioned article there is an error in the units used to describe the level of TBA-reactive substances (MDA), which should have been expressed as nmol/g_{wet wt}, and not as μmol/g_{wet wt}. This correction does not alter any of the conclusions reached in this study. The authors apologize for the error and any confusion it may have caused.

The online version of the original article can be found under
